

Individual Donor

Because of the public's support, the BMSG(S) has been able to provide support to nursing mothers, mothers-to-be and babies for more than 30 years.

But we continue to need your support as we will continue to provide assistance to them in our counseling hotlines, workshop and events. With more resources, we hope to develop more programs to ensure that all babies have the optimal nutrition as well as ensuring that nursing mothers and mothers-to-be are able to breastfeed as much as they can, as long as possible.

Download the donation form with and post together with your cheque at the following address:

Breastfeeding Mothers' Support Group (S)
96 Waterloo Street
SCWO Centre #02-04
Singapore 187967

BMSG (S) is a member of the Health Endowment Fund.
